RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In the Office Action mailed March 26, 2008 the Examiner has stated that the present Application contains two distinct inventions. As such, the Examiner has required Applicants to elect a single invention for prosecution on the merits. Specifically, the Examiner has required Applicants to elect between a first invention, (Invention I recited in Claims 1-15 and 26-50) and a second invention (Invention II recited in Claims 16-25). The present Office Action indicates that inventions I and II are related as process and apparatus for its practice. Amendments to the Claims begin on page 2; applicants' remarks begin on page 14.
